

The purpose of this assignment is to create a visual representation of a theme from the novel. Class time will be provided to complete this assignment. You are permitted to work either in pairs or individually.

Steps to Creating Collage

1. Choose a theme from *To Kill a Mockingbird*.
2. Brainstorm how this theme is represented in the novel. You may elect to find effective quotes or sections that really explain your choice of theme.
3. Find images in magazines, the Internet, etc. that effectively visualize the theme. You will arrange these creatively on either a piece of Bristol Board or white paper taped together to create a similarly-sized paper.
4. Include a title.
5. A paragraph should also be included, (perhaps on a separate paper attached below your collage) that explains your choice of images for your theme and what they represent. Remember to connect your choices to the novel.

Timelines

- Two class periods will be provided for this assignment. Due date is Friday, March 5.
