

Answer each of the following questions in full sentences. Provide full detail and support where necessary. Respond on lined paper.

Crabbe's Journal 8

1. Although his supplies got soaked, are there reasons why going over the falls was a good idea? What else could have happened?
2. Explain some of the things Crabbe does in earlier chapters and this chapter that show how he does not know much about living in the bush.
3. Describe the animal attack, including what caused it and how Crabbe reacts to it.
4. How does Crabbe's cold stew meal show how unprepared he was for his trip?
5. Summarize Crabbe's thoughts and feelings at the end of the chapter.

Crabbe's Journal 9

1. How does the author use description to help set the mood in the opening of this chapter?
2. What is the difference between the description the author uses at the beginning and the description the author uses during Crabbe's accident?
3. Explain the thoughts that go through Crabbe when he thinks he is about to die and while he is in the water.
4. How could adding another character change the story, in your opinion?
